Delhi Public School, Gandhinagar, organized an engaging English Recitation Event for LKG students on August 5, 2025. The children enthusiastically recited rhymes based on the themes of nature and family, which allowed them to connect with meaningful topics close to their hearts.

To make the experience more enjoyable, students were encouraged to use props related to their rhymes, making their presentations vibrant and captivating. Each participant was given a time limit of 3 to 4 minutes to showcase their skills in expression, clarity, and confidence.

Teachers, students, and the external judges applauded as the young learners confidently took the stage, demonstrating not only their language abilities but also their creativity and stage presence. The top performers were awarded with appreciation badges and certificates.

The event provided a wonderful opportunity for children to enhance their English language skills in a supportive environment, while fostering a love for poetry and performance. It also helped them develop stage presence and the courage to speak in front of an audience.

Overall, the English Recitation Event was a joyful celebration of young talent, creativity, and the power of words. It left everyone inspired and eager for more such enriching activities.
