

DELHI PUBLIC SCHOOL, GANDHINAGAR

Dear Parents

Greetings from The School Post!

The School Post is India's first registered newspaper for schools, launched in 1998. Currently our reach expands to 3500 schools all over Gujarat across all boards including GSEB, CBSE, ICSE and IB Board (with a potential reach of 10 million readers). This, a pioneering effort, is a product of commitment to provide an avenue and forum for learning and creative opportunities for children.

The School Post provides opportunities with various events for School going children.

Taking this forward, we have conceived an event of The School Post- Model United Nations (TSP- MUN) associating with schools all over Gujarat. We shall be inviting 193 students from the top schools of Gujarat to perform as delegates of 193 UN association countries and providing the upcoming generation a platform to showcase and experience a diplomatic environment which cannot be offered elsewhere.

Our agenda shall be regarding Climate Change under UNGA (United Nations General Assembly). The preferred date shall be 2nd July, 2022. (Tentative)

WE INVITE YOUR SCHOOL FOR PARTICIPATION!
