Event Report

Title: Rainbow Day	Date: 30.07.26
Venue: A.V Room and Football ground	Class: LKG (All sections)

"Every colour of the rainbow paints a smile on the hearts of our little learners!"

Our little learners of Delhi Public School Gandhinagar celebrated a colourful and exciting Rainbow Day on July 30, 2026 that was joyful, engaging, and memorable. Dressed in vibrant outfits, the children brought their rain gear and enjoyed a delightful rainy-day experience filled with fun, laughter, and cheerful moments. The day was packed with exciting group activities, interactive games, creative experiences, and energetic dance sessions that encouraged participation, teamwork, and confidence among the children. Through music, movement, colours, and playful learning activities, our little stars explored the beauty of friendship, happiness, sharing, and togetherness in a lively and nurturing environment. The celebration created happy memories while helping children enjoy social interaction, self-expression, and joyful learning with their friends and teachers.
