*"Dancing in the rain fills childhood with beautiful memories."*

A delightful monsoon spirit filled the Pre-Primary Wing of Delhi Public School, Gandhinagar, as the UKG students celebrated Rain Rhythm Day on July 9, 2026. Dressed in beautiful shades of blue, the little learners added a splash of colour to the celebration while carrying rain accessories such as umbrellas, raincoats, colourful gumboots, and rain hats, making the event a true reflection of the monsoon season.

Stepping into the school playground with cheerful smiles, the children enthusiastically participated in a variety of rain-themed outdoor activities. Through rhythmic movements, action songs, fun games, and interactive experiences amidst nature, they celebrated the beauty of the rainy season while enhancing their coordination, confidence, and social skills. The lush green surroundings echoed with laughter and excitement as teachers guided the students through each activity in a safe and joyful environment. The outdoor celebration encouraged children to appreciate nature, enjoy the freshness of the monsoon, and experience learning beyond the classroom.

As a part of the celebration, a specially designed Rain Rhythm Day Flipper was placed in the students' almanacs as a colourful keepsake, allowing them to revisit and cherish the wonderful memories of the day. Rain Rhythm Day concluded on a joyful note, leaving every child with happy hearts, beautiful memories, and a deeper appreciation for the wonders of nature. The event beautifully blended learning, exploration, and celebration, making it a truly memorable experience for all.
