

DELHI PUBLIC SCHOOL GANDHINAGAR

Academic Session 2025-26

Event Report

Title: Best Out of Waste Event	Date: 03.09.25
Venue: Classroom & A.V. Room	Class: LKG

“The greatest creativity lies in giving discarded things a new life. Best out of waste is not just an art; it is a responsibility.”

To instill the values of environmental protection and conservation among young learners, Delhi Public School, Gandhinagar, organized a “Best Out of Waste” event on September 3, 2025, for the students of LKG. The objective of the activity was to provide children with a platform to showcase their creativity using everyday waste materials while learning the importance of recycling and reusing resources in innovative ways. Our little innovators demonstrated remarkable talent by crafting useful and decorative items, including penholders, photo frames, wall hangings, and more. Discarded items like plastic bottles, cartons, newspapers, disposable spoons, and ice-cream sticks were transformed into beautiful creations. The best five entries were selected by an external judge, and the winners were awarded certificates of achievement and appreciation badges. The event not only highlighted the creativity of our students but also instilled a sense of environmental responsibility in them. It turned into a joyful experience where the tiny creators enjoyed exploring their imagination while spreading the message of sustainability. Truly, it was a celebration of creativity, responsibility, and fun!

The best performers from each section are as follows:

Sr no.	LKG - A	LKG – B	LKG – C
1	Rudra D. Dabhani	Shrey Thakar	Hriday C. Patel
2	Dvija S. Patyal	Tanush Laad	Shriya S. Jaiswal
3	Vaani Singh	Aadhir Aswani	Diyaan S. Mistry
4	Jiyanshi Panchal		Manvik Agrawal
5			Shivansh R. Yadav
