<b>Title: Inter-House Live Sketching Competition</b>	<b>Date: 05/07/2025</b>
<b>Venue: Art Room</b>	<b>Class: X</b>

To nurture observational skills and encourage artistic expression, DPS Gandhinagar organized a **Live Sketching Competition** exclusively for **Class X** students. This event challenged participants to sketch real-time subjects, enhancing their spontaneity, precision, and attention to detail.

Through this unique platform, students had the opportunity to immerse themselves in the nuances of form, proportion, perspective, and shading. Observing a live subject helps artists train their eye to capture fleeting moments and subtle details — essential skills for any budding artist.

Participants were judged based on creativity, accuracy, use of technique, and overall composition. The event was an engaging experience that not only celebrated talent but also inspired students to look at the world through an artist's lens.

The results are as follows:
