The Event & Participation

Stories come alive when blended with the magic of music. To celebrate this unique fusion, the English Department of Delhi Public School, Gandhinagar, organized an Inter-House Competition “Tunes and Tales” on August 22, 2025, for the students of Class III.

Participants from different houses presented well-known stories such as The Panchatantra Tales, Cinderella, Millo the Messy Monkey, and many others. Each story was sung melodiously and presented with great enthusiasm, leaving the audience captivated.
