Delhi Public School, Gandhinagar, joyfully organized the "Mere Apne" event for Nursery students on January 20, 2026, to encourage self-expression and strengthen speaking skills among young learners. The activity aimed to help children confidently discuss their family members in Hindi, thereby developing their language and communication skills. The little ones enthusiastically came forward and spoke a few lines about their parents and grandparents, expressing their love and affection with innocence and pride. Their confident introductions and sweet words filled the atmosphere with warmth and joy.
