Deepavali, by attaining illumination of the soul.”*

About the Event:

Diwali, the Festival of Lights, is one of the most significant festivals celebrated across India. It commemorates the return of Lord Ram, Sita, and Lakshman to Ayodhya after 14 years of exile. The people of Ayodhya welcomed them by lighting oil lamps, symbolizing the triumph of light over darkness and good over evil. Diwali is also dedicated to the worship of Goddess Lakshmi, the goddess of wealth and prosperity.

To mark this joyous occasion, **Delhi Public School, Gandhinagar, organized a special Diwali assembly for young learners on 16 October 2025.** The event aimed to instill the cultural and spiritual values of Diwali among students. The assembly featured speeches, cultural performances, and festive activities that reflected the true spirit of the festival.

Objectives:

- ♠ To educate students about the significance of Diwali as a festival symbolizing the victory of good over evil and light over darkness.
- ♠ To provide students with opportunities to express their creativity through cultural performances and activities.
- ♠ To nurture a sense of truth, unity, and faith among the students.

The event gracefully highlighted the festival's core themes of joy, unity, and the triumph of light over darkness. Through a series of thoughtfully curated performances, students vividly portrayed the timeless struggle between good and evil, effectively capturing the true spirit and significance of Diwali.

The celebration featured a series of vibrant cultural presentations. The assembly commenced with a devotional prayer, followed by an inspiring thought and an energetic dance performance by the students of Class I-H.
