| Title: Investigatory Project Report | Date: 20/03/2026 |
| Venue: School Auditorium | Class: XI (2025-26) |

“Research Is Seeing What Everybody Else Has Seen and Thinking What Nobody Else Has Thought”

Under the guidance and motivation of the school Principal **Ms. Anju Singh**, Senior Secondary wing of DPS GANDHINAGAR carried out an Investigatory project in all subjects of Commerce and Humanities.

The aim of these projects was to have a student led research endeavour that requires active hands on enquires such as field studies or paper presentation

The project investigation spanned the academic year 2025-26. The final presentation was held on 20 March 2026. The objective was to enhance their deep knowledge about the topic through their research work.

The Accounts department carried an investigation on the topic Preparation of Real Accounts book for Business Purpose showcasing the different terminologies used and their purpose.

In Business Studies the investigation was done on Corporate Social Responsibility showcasing the initiative taken by Indian MNC's (Aditya Birla Group) for social upliftment.

In Economics the investigatory project was done on the topic Digitalization showcasing the different modes of online payments. The students visited different shops took their views regarding online payments.

In History the topic taken was The Study of Indus Valley civilization a special reference to the Dholavira. Through PPT presentation, artifacts, views of research sites they presented the topic in an engaging way.

In Political Science the topic taken was The Role of Judicial Activism in Cybersecurity in Contemporary India, showcasing the role of the two important tools of Judicial Activism with the help of case studies.

The students incorporated their field work, thesis, final analysis in their projects. The highlight was combining knowledge with technology the PPT and video brought forth the student's multilevel talent. Overall, it was learning with a purpose. Preparing students for a global stage.
