

DELHI PUBLIC SCHOOL GANDHINAGAR

Academic Session 2025-26

Event Report

Title: Thanks Giving Day	Date: 15.11.25
Venue: AV room & School Premise	Class: UKG

“A grateful heart is a magnet for miracles.” Thanks Giving Day was celebrated by our UKG students on **November 15, 2025**, with warmth, joy, and gratitude at **Delhi Public School, Gandhinagar**. The tiny tots came dressed in school uniform, bringing along big smiles and thankful hearts. The celebration began with a short talk on the importance of being grateful for everything we have — our families, friends, teachers, and all those who help us every day. Children enthusiastically participated in various creative activities, including the Sharing Circle and making Thanksgiving cards. A special highlight of the day was when our little ones gave beautiful handmade Thank You cards to the helpers who make our school a happy and safe place — including the maids, security guards, gardeners, and support staff. The joy on both sides was truly heartwarming! To extend the learning beyond the classroom, children were also given a Thanksgiving flipper in their almanac to reinforce the value of gratitude and sharing with their families at home. Through songs, stories, and crafts, children learned that gratitude is not just about saying “thank you” but also about showing kindness and appreciation. The event concluded with cheerful smiles and songs of togetherness, reminding everyone that every act of gratitude makes the world a better place. It was indeed a meaningful and memorable celebration — a perfect reminder that “gratitude turns moments into blessings.”
