“Messy hands create beautiful masterpieces.”

The Pre-primary Wing of **Delhi Public School, Gandhinagar** organized a fun-filled **Messy Art Day** for the UKG students on **June 25, 2026**. The activity was designed to encourage creativity, sensory exploration, and self-expression through engaging hands-on artistic experiences. The little artists enthusiastically participated in a variety of messy art activities using colours, paints, and different craft materials. With tiny hands and boundless imagination, they explored textures, mixed colours, and created unique masterpieces. Their smiling faces reflected the joy of creative learning.

Teachers guided and encouraged the children throughout the activities, ensuring a safe and enjoyable environment where every child could freely experiment and express their ideas. The event helped enhance the students' fine motor skills, creativity, confidence, and imagination. Each child proudly showcased their vibrant artwork, making the experience both educational and memorable. As a special keepsake, a **Messy Art Day Flipper** was placed in the students' almanacs to commemorate their enthusiastic participation. **Messy Art Day** proved to be a delightful and enriching experience that nurtured creativity, curiosity, and joyful learning, leaving the young learners with colourful memories and a lasting love for artistic expression.
