The Event & Participation

The Art and Craft Competition “Bag-a-Brush” for Class IV was conducted on October 10, 2025, with great enthusiasm and creativity. The activity aimed to blend art with environmental consciousness by encouraging students to reuse old paper bags and transform them into beautiful works of art.

Using acrylic colours and various decorative materials, the young artists painted their bags with vibrant designs featuring flowers, scenery, and abstract patterns. Each bag was a reflection of the students’ imagination and creativity.

The beautifully painted bags will be reused for giving return gifts on birthdays or other occasions, reinforcing the value of sustainability. The competition not only brought out the artistic talents of the students but also taught them the joy of creating something beautiful out of reusable materials.
