Title: Story Telling Event	Date: 09.02.26
Venue: Auditorium	Class: LKG (All Sections)

“Stories are the language of the heart, helping little minds dream, imagine, and express.”

Delhi Public School, Gandhinagar, organized an engaging Hindi Story Telling Event for the students of LKG on February 9, 2026, with the aim of fostering language skills, confidence, and creative expression among young learners. The event provided a wonderful opportunity for children to explore the richness of the Hindi language in a joyful and supportive environment.

The little storytellers narrated short stories in Hindi with great enthusiasm and confidence. Many participants came dressed as their story characters and used colourful props, which added charm and excitement to their presentations. Each child was given 3–4 minutes to narrate the story, helping them develop time management along with effective communication skills.

The event was evaluated by external judges based on self-introduction, clarity in narration, and effective use of props. The judges appreciated the confident efforts and expressive performances of the children. The best performers were encouraged and honoured with appreciation badges and certificates, making the event a memorable and motivating experience for the young learners. The programme concluded on a joyful note, celebrating imagination, confidence, and early language development.
