Venue: Resource Room & A.V. Room	Class: Pre-primary Classes

Guru Nanak Jayanti, also known as Gurupurab, was celebrated with great enthusiasm and reverence in the Pre-primary Section of Delhi Public School, Gandhinagar, on November 4. The celebration aimed to introduce young learners to the life, teachings, and values of Guru Nanak Dev Ji - the great messenger of peace and harmony.

The celebration began with teachers highlighting Guru Nanak Dev Ji's teachings on truth, equality, and kindness. A short documentary on his life was shown to the students. The atmosphere was filled with devotion as the little ones participated in a prayer session and sang Shabads to pay tribute to Guru Nanak Dev Ji.

To make the day more engaging, the children participated in creative activities, such as colouring and decorating the "Ek Onkar" symbol. The celebration not only brought joy to the students but also helped instill moral values and respect for all religions. The distribution of Kadha Prashad added a traditional and sweet touch to the occasion.
