Venue: Audio Visual Room	Class: UKG

“Lights, Camera, Action - Our Mini Superstars turned into a Bollywood Blockbuster!” Our Pre-Primary students of UKG celebrated Bollywood Day on September 1, 2025, with immense joy and enthusiasm at Delhi Public School, Gandhinagar. The day was filled with vibrant colours, music, and dance as our little stars arrived dressed as popular Bollywood characters, adding a true filmy charm to the atmosphere. The celebration began with a cheerful welcome, followed by a series of fun-filled activities, including energetic dance performances, filmy dialogues, and role-plays. Children showcased their creativity and confidence as they performed to popular Bollywood tunes, leaving the audience mesmerized. To make the day even more exciting, a ramp walk was organized where our tiny stars flaunted their costumes with style, striking poses just like real Bollywood celebrities and winning everyone’s hearts. A special Bollywood-themed flipper was also shared in their almanac as a keepsake of this memorable day. The celebration not only entertained but also nurtured self-expression, social skills, and confidence in our little learners. Bollywood Day truly turned into a blockbuster event filled with fun, laughter, and learning!
