"Speak with confidence, shine with pride!" Delhi Public School, Gandhinagar organized a **Show and Tell Event** for UKG students on **December 15 & 16, 2025**. The event was conducted with great enthusiasm, aiming to boost speaking skills, confidence, and self-expression among the little learners. It provided children with a wonderful platform to express their thoughts creatively and confidently before an audience. The tiny speakers came prepared with their favourite objects and spoke about them with excitement and clarity. From toys and animals to nature and useful items, every child showcased confidence, imagination, and joy while sharing their thoughts. Adding to the excitement, our Pre-primary Incharge **Ms. Neeti Jain**, along with parents invited as **external judges**, made the event even more special. The judges **Ms. Richa Load, Ms. Deepika Agrawal & Mr. Darshan Mevada** had a tough time deciding the winners as the tiny tots delivered impressive speeches. Their encouraging presence made the event more memorable and motivating for the students. The **best five students** were adjudged and awarded a certificate along with an appreciation badge in their almanac for their sincere effort and confidence. The event successfully enhanced communication skills, stage presence, and self-esteem among our young learners. It was indeed a heartwarming experience to see our UKG stars speak so confidently — proving that **"every child's voice adds colour to the world of learning."**
