#### Objectives:

- ♠ To help students know and understand mythological characters and their qualities.
- ♠ To build confidence and stage presence among students.

#### The Event & Participation

Bringing the timeless world of Indian mythology into a modern rhythm, Kavita Rap was introduced for the first time as a unique way for students to explore and connect with legendary mythological characters. The competition was organised for **Class V on August 07, 2026**, where students enthusiastically brought these characters and their inspiring qualities to life through rap.

Students presented lively rap performances based on characters and stories from the **Ramayana, Mahabharata, and other Indian mythological narratives**. Some students beautifully **praised Lord Krishna and Lord Shiva**, while others highlighted the **good qualities and values of Lord Ram**, such as truth, courage, kindness, and respect.

The activity allowed students to look at our rich mythology from a **fresh and contemporary perspective**. Through rhythm, poetry, music, and expression, students brought these timeless characters to life in an interesting way.

The competition was a wonderful blend of **tradition and modern creativity**, making the learning of Indian mythology enjoyable, meaningful, and memorable for the students.
