Report on Capacity Building Programme – “Happy Classroom”

A Capacity Building Programme on “Happy Classroom” was successfully conducted at Delhi Public School, Gandhinagar on 28 March 2026 from 9:00 a.m. to 5:00 p.m. The workshop was led by certified CBSE resource persons Mr. Puneet Mishra and Dr. Nilescha Sisodiya. The programme was attended by teachers of the Primary and Pre-Primary Wings, along with the Principal Ms. Anju Singh and Headmaster Rakesh Kumar Bhagat.

The session focused on creating a positive, joyful, and engaging classroom environment. The resource persons shared simple and practical strategies to make learning more interesting and meaningful for students. They conducted various fun-filled activities that encouraged participation, teamwork, and creativity among teachers.

The workshop also included interactive discussions and videos that helped teachers understand the importance of emotional well-being in the classroom. Teachers were guided in building strong relationships with students, handling classroom challenges positively, and promoting a positive learning atmosphere.

The session was highly engaging and informative. It provided valuable ideas that teachers can easily implement in their classrooms. Overall, the programme was a great learning experience and will help create more positive, student-friendly classrooms in the school.
