Title: Pen Down Your Imagination	Date: 28.11.25
Venue: UKG classrooms	Class: UKG

#### **“When imagination flows, learning grows.”**

Creativity took center stage as our UKG students enthusiastically participated in the **Pen Down Your Imagination** event held at Delhi Public School, Gandhinagar, on November 28, 2025. The theme for the event, “Nature Scene or Seasons,” encouraged young learners to explore the beauty of nature through art and imagination.

With colourful crayons and vibrant ideas, the little artists beautifully expressed their thoughts on paper. Each child came up with unique creations—ranging from blooming flowers, chirping birds, sunny skies, rainy moments, to scenes depicting changing seasons. Their drawings truly reflected innocence, creativity, and a love for the natural world.

Teachers motivated every participant to think independently and translate their ideas into art and simple words. The event not only developed fine motor skills but also boosted confidence and communication among the young learners. Our Art & Craft educator,

Ms. Poorvi Maniyar, was invited as an external judge, making the event even more special. Her presence brought warmth, encouragement, and a sense of pride among the young participants. She appreciated the creativity and imagination displayed by the children. All the winners received Certificates of Appreciation and Appreciation Badges for their enthusiastic participation. A note about their achievements was also added to their almanac to acknowledge their efforts. The event successfully nurtured artistic expression, observation, and confidence among the students. It was indeed a joyful celebration of imagination and creativity—where every child proved that a mind full of imagination can paint endless possibilities. The winners are:
