

DELHI PUBLIC SCHOOL GANDHINAGAR

Academic Session 2026-27

Event Report

TITLE: GUJARATI- Brochure Making Activity	Date: 10-17 August 2026
Venue: Classrooms	Class: VIII

The Third Language Department of Delhi Public School Gandhinagar organized an engaging Brochure Making Activity for Class VIII students from 10-17 August 2026 under the theme “Culture, Heritage and Literary Traditions of Gujarat”. This individual competition gave students a creative platform to embark on a journey through the state's rich history, iconic folklore, and celebrated literary legacy by designing bi-fold or tri-fold brochures.

Conducting as part of the Art-Integrated Learning (AIL) initiative, students utilized A4 or A3-size sheets to individually showcase Gujarat's traditions, historical monuments, folk art, legendary poets and writers, and literary heritage. They incorporated creative titles, catchy slogans, traditional attire, and cultural illustrations using colors, sketches, and neat lettering.

The event was successfully evaluated across criteria including language expression and content, artistic presentation and visual appeal, cultural relevance and research, and individual effort and neatness. Ultimately, the activity effectively fostered individual research, artistic expression, language acquisition, and cultural appreciation among all participants.

Glimpses of the Activity:
