About the Event

On August 2, 2025, the Primary Wing of Delhi Public School, Gandhinagar, hosted an **'Investiture Ceremony'**. This event aimed to provide a platform for nurturing leadership qualities among students for the academic session 2025-26. At DPSG, we are committed to fostering the overall development of each child and offering an education that develops every facet of their personality.

The Objective of the Event

To impart students with the opportunity to step into leadership roles. Assuming roles such as head boy, head girl, sports captain, and prefect teaches students important lessons about accountability, responsibility, and decision-making. Students are trusted to set an example for their peers, uphold school rules, and administer discipline. These positions aid in developing their organisational skills, jurisdictional aptitude, and teamwork qualities.
