**Event Report on Festivals Around the World**

*“Celebrations may differ across the world, but the joy they bring speaks one universal language.”*

To celebrate the spirit of global unity and cultural diversity, Delhi Public School Gandhinagar organized an engaging event titled “Festivals Around the World” on November 25, 2025. The event aimed to help students of LKG explore and appreciate the beauty of various traditions and celebrations observed across the globe.

Children enthusiastically participated by speaking about different festivals from around the world, showcasing their confidence and creativity. Dressed in vibrant costumes and using attractive props, they represented festivals such as Christmas, Diwali, Eid, Halloween, and many more.

Each participant spoke fluently in English for 3–4 minutes, sharing the significance, customs, and joy associated with their chosen festival. The event was judged by a panel of external judges, who appreciated the students’ efforts, expression, and confidence in presenting their chosen festivals so beautifully. The best performers were awarded appreciation badges and certificates in recognition of their outstanding presentations.

The activity provided a wonderful platform for students to enhance their public speaking skills, cultural awareness, and stage confidence. The event truly reflected the message that, though our cultures and traditions may differ, the essence of celebration—joy, love, and togetherness—remains the same across the world.
