Academic session 2022-23
Event Report

Title: NEP Approach & Pedagogy for Foundational Stage	Date 17/02/2023
Venue: Audio Visual Room	Class: Pre-Primary Teachers

“Better education equals a better nation. Education makes the world a better place.”

A workshop on ‘NEP approach and pedagogy for Foundational Stage’ was conducted by Ms. Sangeeta Joardar on February 17, 2023, for Pre-Primary teachers of DPS Gandhinagar. The workshop's main objective was to create awareness about the newly launched National Education Policy-2020 amongst teachers and to familiarize them with the skills to help them understand its differences, curriculum changes, shift in the pedagogical skills, and its implementation for the 360-degree holistic development for the students.

The session began with a beautiful poem to welcome the teachers. The new structure of the school was discussed i.e., replacing 10+2 with 5+3+3+4. She expressed the importance of using a holistic and multifaceted learning approach to help the learners develop cognitive, socio-emotional, ethical, cultural/artistic, literacy, and numeracy development skills. Every student will start achieving age-appropriate foundational literacy and numeracy (FLN) by 2025.

The workshop was concluded by emphasizing the hands-on learning activities which will be helpful for the teachers to reach the aim of FLN.

The session was summarised by discussing the points to ponder for teachers. All the teachers attended the workshop with zest and enthusiasm & had an excellent learning experience.
