

DELHI PUBLIC SCHOOL, GANDHINAGAR

Academic session 2025-26

Activity Report

Title: Educational Field Trip	Date: 20.08.25
Venue: Indroda Nature Park	Class: II (A-I)

“Nature is the best classroom, and every leaf is a page of learning.”

About the Event:

The students of **Class II**, Delhi Public School Gandhinagar, went on an educational trip to **Indroda Nature Park** on **August 20, 2025**. It was organized as a bag less day activity, giving children an opportunity to learn joyfully beyond the classroom setup. The visit offered them a first-hand experience of exploring nature and its wonders.

Objectives of the Event:

- Help students connect with nature and appreciate biodiversity.
- Encourage observation and curiosity by exploring flora, fauna, and dinosaur fossils.
- Develop values of responsibility towards protecting the environment.
- Provide recreation and relaxation in a natural setting.

The Event and Participation:

Delhi Public School, Gandhinagar organised an educational field trip to **Indroda Nature Park** as a bag less day activity for **class II** students on **August 20, 2025**.

The young learners actively participated in the trip with great excitement and enthusiasm. They observed animals, birds, reptiles, and fossils of dinosaurs, which fascinated them and led to many thoughtful questions. The nature walk amidst lush greenery created a joyful learning environment. Teachers guided students throughout, explaining interesting facts in simple language. Children interacted, shared their observations, and enjoyed every moment of the day.

The educational trip to Indroda Park proved to be both informative and recreational, leaving students with memorable experiences and a deeper respect for the natural world.

A Few glimpses of trip are enclosed below
