

DELHI PUBLIC SCHOOL GANDHINAGAR

Academic Session 2026 -27

Event Report

Title: Crazy Balloon Day	Date: 25.08.26
Venue: Audio Visual Room	Class: Nursery

The tiny tots of Nursery at Delhi Public School, Gandhinagar had a fun-filled and energetic day as they celebrated Crazy Balloon Day on August 25, 2026. The classroom was transformed into a colourful and cheerful space with balloons of different shapes, sizes, and colours.

The celebration began with an exciting introduction to balloons, followed by a variety of creative balloon games and activities arranged by the children with the guidance of their teachers. The little ones enthusiastically participated in activities such as balloon balancing, balloon tapping, balloon races, and other playful challenges, filling the day with laughter and excitement.

The activities helped children develop hand-eye coordination, gross motor skills, teamwork, listening skills, and confidence while encouraging them to learn through play.

Crazy Balloon Day was a delightful celebration that brought together learning, movement, creativity, and endless smiles, creating wonderful memories for our little learners.
