Title: Field Trip	Date: 08/10/2025
Venue: Laxmi Vilas Palace Vadodara	Class: X

A field trip was organized by Delhi Public School, Gandhinagar for the students of Class X, to Sayaji Gaikwad Museum and Laxmi Vilas Palace in Vadodara on 08 October 2025. The objective of this educational trip was to help students explore the rich cultural, historical, and artistic heritage of Gujarat.

The journey began early in the morning with great excitement among the students. After a comfortable bus ride, the group first visited the Sayaji Gaikwad Museum, also known as the Baroda Museum and Picture Gallery. Students observed an extensive collection of sculptures, paintings, and artefacts from different parts of the world. The museum staff guided the students through various sections, explaining the historical significance of the rare exhibits, including Egyptian antiquities and Mughal miniature paintings. The experience broadened the students' understanding of global art and Indian heritage.

The next stop was the Laxmi Vilas Palace, the magnificent royal residence of the Gaekwads of Baroda. The grandeur of the palace, its European architectural style, and the beautiful surroundings left everyone spellbound. Students learned about the history of the Gaekwad dynasty, the royal lifestyle, and the architectural brilliance that makes the palace four times bigger than Buckingham Palace.

The trip concluded with a reflective discussion session, where students shared their learning experiences and impressions of the royal legacy. The return journey was filled with laughter and conversations about the day's highlights.

Overall, the field trip was both educational and memorable, offering students a first-hand understanding of Gujarat's art, history, and culture.
