

DELHI PUBLIC SCHOOL GANDHINAGAR

Academic Session 2025-26

Event Report

Title: POSTER MAKING ACTIVITY	Date: 05/07/2025
Venue: Classrooms	Class: VIII

To celebrate the vibrant spirit of Gujarat, Delhi Public School Gandhinagar held a colourful and engaging Poster Making Activity for Class VIII students. The theme, “*Culture and Heritage of Gujarat*,” gave students a chance to dive into the traditions, art, and history that make the state so unique.

As part of the Art-Integrated Learning (AIL) initiative, students poured their creativity into posters that beautifully captured everything from Garba and Bandhani to temples and folk tales. They were also assessed on their presentation in the Gujarati language, adding a meaningful linguistic connection to the activity.

It was more than just an art project—it was a journey into the heart of Gujarat. The event sparked curiosity, pride, and a deeper appreciation for the cultural roots that shape our identity. A truly joyful and enriching experience for all!
