Dear Readers

We are about to end the academic session 2022-23 and begin with the academic session 2023-24. I congratulate all my students, teachers, and parents for successfully completing this post-pandemic challenging academic session. With the support of all, we were able to bring back the physical school with full energy and enthusiasm.

Indian education is considered to be the oldest in the world. It has been involved through centuries in the advancement and betterment of mankind and has produced many scholars and great achievers. As a leading school, we are proud to say that by understanding the need of the changing world, we are preparing ourselves to meet the challenging demands of a 21st-century knowledge society. Our objective is to provide the highest quality education for all our children, consistent with an equitable, inclusive, and plural society as envisaged by our constitution.

Throughout 2022-23, our teachers have been trained and educated in multiple disciplines which include among other things, a better understanding of the fields of neurosciences, brain study, and cognitive sciences. Our school has also been selected as a leading school for the CBSE Hybrid learning program which includes Digital Skilling of Educators in collaboration with the Microsoft under Carte Blanche Endless Empowerment Program. All the teachers of our school are in the process of being trained and certified by Microsoft and Tech Avant-Garde in association with CBSE which would raise the performance of the school to the next level.

Thank you everyone for your seamless support to take the institution to a greater height....
