Venue: Auditorium	Class: LKG (All sections)

A beautiful celebration of **Confidence • Communication • Expression**

Delhi Public School Gandhinagar organized the Tiny Talkers Event for the LKG students on September 9, 2026, in the school auditorium to provide our young learners with a wonderful platform to express themselves confidently and develop their speaking, communication, and presentation skills. For the event, each student was asked to bring a picture of their choice—something they liked, enjoyed, or found interesting.

The students spoke about their chosen picture for 2–3 minutes, confidently sharing their thoughts and ideas with the audience. The little speakers displayed remarkable enthusiasm and confidence while presenting. They spoke about their pictures using simple sentences and expressive language. The activity encouraged them to think independently, organize their ideas, and speak fluently before an audience. The performances were evaluated by the esteemed judges, Based on confidence, clarity of speech, content, expression, voice modulation, and overall presentation. After observing all the participants, the judges selected the top five students for their outstanding performances.

The event was a delightful learning experience that helped our young learners overcome hesitation and discover the joy of public speaking. It was heartening to see our tiny talkers express themselves with such confidence and enthusiasm.

The event successfully nurtured communication skills, creativity, confidence, and self-expression among the students. The top five students from each class were felicitated with certificates in recognition of their outstanding performance, confidence, and effective presentation.
