Dressed in bright and colourful attire, the little ones filled the school with vibrant energy and infectious smiles. A special magic show put on by the teachers mesmerized the young audience with captivating tricks and playful surprises. Their eyes lit up with curiosity, and the air was filled with giggles and amazement.

To conclude this enchanting celebration, the children danced joyfully to lively musical beats, filling the atmosphere with rhythm, laughter, and cheer.

The event was a magical experience in every sense—sparking imagination, spreading joy, and creating unforgettable memories for our young learners.
