Movie Day Celebration – A Day of Entertainment and Joy!

On April 24, 2026, Delhi Public School, Gandhinagar, celebrated Movie Day with the Nursery students, filling the school with excitement, laughter, and cheerful energy. The little ones arrived full of enthusiasm, carrying their favourite popcorn and juice, which added to the fun and festive atmosphere across the campus.

The celebration began with an engaging movie screening, where children enjoyed watching their favourite characters come to life on screen. Their eyes sparkled with joy and wonder as they immersed themselves in the colourful and entertaining world of animation.

To make the experience more interactive, students participated in fun activities and discussions, sharing their favourite moments and characters from the movie. This helped enhance their imagination, listening skills, and self-expression in an enjoyable way.

Adding to the excitement, students also took part in creative activities and playful games inspired by the movie, making learning both meaningful and entertaining.

Movie Day was a perfect blend of enjoyment and learning, encouraging imagination, creativity, and joyful participation. The day ended with smiles, laughter, and unforgettable memories for our young learners.
