**Event Report**

<b>Title: Earth Day</b>	<b>Date: 22/04/2022</b>
<b>Venue: Pre-Primary Wing</b>	<b>Class: Pre-Primary</b>

**Preserve Earth, Preserve Life! Our planet Earth is a magnificent planet.**

Children of Delhi Public School, Gandhinagar celebrated Earth Day on 22<sup>nd</sup> April'2022 as a Resource Room activity. On this Global Annual day, students of DPS Gandhinagar decided to take a pledge to make a change in lifestyle that would impact not only those within the school but also the community outside the school.

The day started with a beautiful message where students were reminded of 5 actions to save earth. All the students of Pre-primary took part in this endeavour. Each one of them took a pledge to save Mother Earth by doing simple doable actions like to clean up litter, plant trees, save water, avoid using plastic, save electricity, save paper etc. to reflect the beauty of nature.

The beautiful souvenir of paper earth held by hands was prepared to create awareness which included activities like colouring, sponge printing and pasting the palms etc.

Students of Pre-primary were shown the animated video clips and songs on Earth day where they were explained the need to take care of our home and Earth. Students were encouraged to switch off lights & ACs if not in use. They were motivated to clean their surroundings by participating in different activities.

At the end of the day students were given colourful flippers as a souvenir of celebration. Our continuing effort and aim of this event was to inspire students to do their bit towards making their planet even more beautiful.
