“There is no garden as beautiful as childhood”.

A day marking childhood was celebrated as KINDERGARTEN DAY with fun and frolic at Delhi Public School Gandhinagar on 21st April for Nursery kids. It all began since morning when children entered in the class. Later students were taken to the game area to enjoy few fun games especially arranged for children. Teachers cheered their students as they saw them to playing games and laughed boisterously at their actions. The play area was buzzing with excitement and joy. Then children enjoyed a cartoon movie in Audio / Visual room. The day ended with distribution of souvenir to the students and wonderful memories lingering in everybody’s minds.
