<b>Title: Puneet Van Visit</b>	<b>Date: 2.12.2022</b>
<b>Venue: Puneet Van</b>	<b>Class: Pre-Primary</b>

Gardens, grounds and lawns are the lungs of a modern city. Spending time in the lush green garden presents a feast of joy to everyone. To enjoy the company of nature, an educational visit to Puneet Van was arranged for the students of Pre Primary on December 2, 2022. Children were welcomed by the authorities of Puneet Van and they distributed a packet of biscuit and water bottle to each child. The shady trees and green lawns brought happiness on each and everyone's face. Doing yoga in this huge garden was a treat for children. The rides on the slides and swings were the cherry on the cake for the children. The garden also serves as a house of singing birds and peacocks. They got the excellent opportunity to peek into the animal kingdom. The students loved the change of scenery and surrounding, which replenished them with new lessons and learning. We have a good time in the garden which is veritably a paradise on earth.
