Venue: School Cricket Ground	Classes VI to VIII

“If you don’t ask for the best, you don’t get it.”

A Defence Training Demonstration was conducted by the AVCT (Atulya Veer Charitable Trust) team for students of Classes VI to VIII in the school’s cricket ground. AVCT is an organization led by former NCC cadets and a social activist trainer, dedicated to empowering youth through skill-based training in national and self-defense.

The team, well-versed in various disciplines, aims to nurture young minds across educational and non-educational platforms to become responsible and capable citizens. Their core philosophy, *“Every Student a Soldier,”* focuses on instilling patriotism, discipline, and preparedness in students.

As part of the demonstration, students were introduced to a wide range of training modules, including rifle shooting, self-defense, archery, yoga, parade, first aid, traffic safety (RTO), rescue operations, legal awareness, robotics, and even gliding.

The session concluded with enthusiastic participation and keen interest from students, who expressed a strong desire to take part in future programs and enhance their leadership, discipline, and resilience through such hands-on learning experiences.
