Event Report

Title: GUJARATI-CHART MAKING ACTIVITY	Date: 10/08/2026 to 17/08/2026
Venue: Classrooms	Class: VII

To celebrate the vibrant colors, architectural marvels, and rich traditions, The Third Language Department of Delhi Public School Gandhinagar held a colourful and engaging Chart Making Activity for Class VII students from 10-17 August 2026. The theme, “Vibrant Gujarat: Culture & Heritage,” gave students a chance to bring the soul of Gujarat to life with their creativity.

As part of the Art-Integrated Learning (AIL) initiative, students worked in groups to design creative handmade charts on A4 or A3-size sheets. They expressed their learning by depicting Gujarat's rich traditions, historical monuments, folk dances, attire, folk art, key heritage sites, and festivals. They were also assessed on their language expression, content, artistic presentation, visual appeal, cultural relevance, research, teamwork, overall impact, and neatness, adding a meaningful linguistic and collaborative connection to the activity.

It was more than just an art project- it was a journey into the heart of Gujarat. The event fostered teamwork, artistic expression, and cultural appreciation, sparking curiosity, pride, and a deeper appreciation for the cultural roots that shape our identity. A truly joyful and enriching experience for all!
