"Birds find their destination through their wings; Just like those who stay silent, let their skills speak in the world."

Under the umbrella of Art Integrated Learning (AIL), The Hindi Department of Delhi Public School Gandhinagar proudly organized a unique and educational activity for the students of Class VIII on 04 October 2025. The theme of the activity was **'Stamp Collection Based on Indian Literary Figures'**. Through this activity, students explored the world of Indian literature and philately by collecting and presenting postal stamps featuring renowned Indian literary personalities. They were encouraged to compile stamps on an A4-size sheet and decorate them creatively providing insight into the contributions of each literary figure to Indian literature. Students developed a deeper understanding of India's rich literary heritage. The activity was not just an exercise in creativity but also a meaningful way to integrate art, literature, and history in learning.
