

DELHI PUBLIC SCHOOL GANDHINAGAR

Academic Session 2025-26

Event Report

Title: Phase creation	Date: 04/10/2025
Venue: Western music room	Class: VII

The Performing Arts Department of Delhi Public School, Gandhinagar organized an engaging activity titled “PHRASE CREATION IN 4/4 TIME SIGNATURE” for the students of Class VII.

Students enthusiastically explored how each measure contains four beats and how different note values like quarter notes, half notes and eights notes combine to create balanced musical expressions. They were encouraged to compose their own short melodic pieces, using instruments or vocal patterns. The activity not only developed the students’ sense of rhythm and melody, but also encouraged teamwork, creativity and confidence in musical expression.

Congratulations to all participants for their imaginative efforts and outstanding work!
