

DELHI PUBLIC SCHOOL GANDHINAGAR

Academic Session 2025-26

Event Report

Title: Creating 3-D Image of Indian percussion instruments.	Date: 04/10/2025
Venue: Indian Instrument room	Class: VII

The Performing Arts Department of Delhi Public School, Gandhinagar organized an engaging activity titled **“Creating 3-D Images of Indian Percussion Instruments”** for the students of Class VII.

The students enthusiastically participated in this creative art-integrated activity. The objective was to help students explore the rich tradition of Indian percussion instruments while enhancing their artistic and conceptual understanding through three- dimensional visualization.

Students designed and presented beautiful 3-D representations of traditional Indian instruments such as the tabla, dholak, mridangam, and pakhawaj. Their innovative ideas and craftsmanship reflected a deep appreciation for India’s musical heritage.

The activity provided a wonderful platform for students to blend art, music, and creativity, developing both aesthetic sense and cultural awareness.
