A. Select the correct option.

- Title bar** Shows the name of your drawing.
a. Ribbon b. Tab c. Title bar
- Drawing Area** is the white space in the middle where you can draw.
a. Stage b. Shape **c. Drawing Area**
- The **Fill with Color** tool is used to fill colour in closed shapes.
a. Fill with Color b. Circle c. Rectangle

B. Write T for True and F for False.

- Paint is used for drawing and colouring on the computer.
- The Oval tool is used to draw squares.
- The Line Tool is used to draw straight line.

T
F
T

C. Answer in one word .

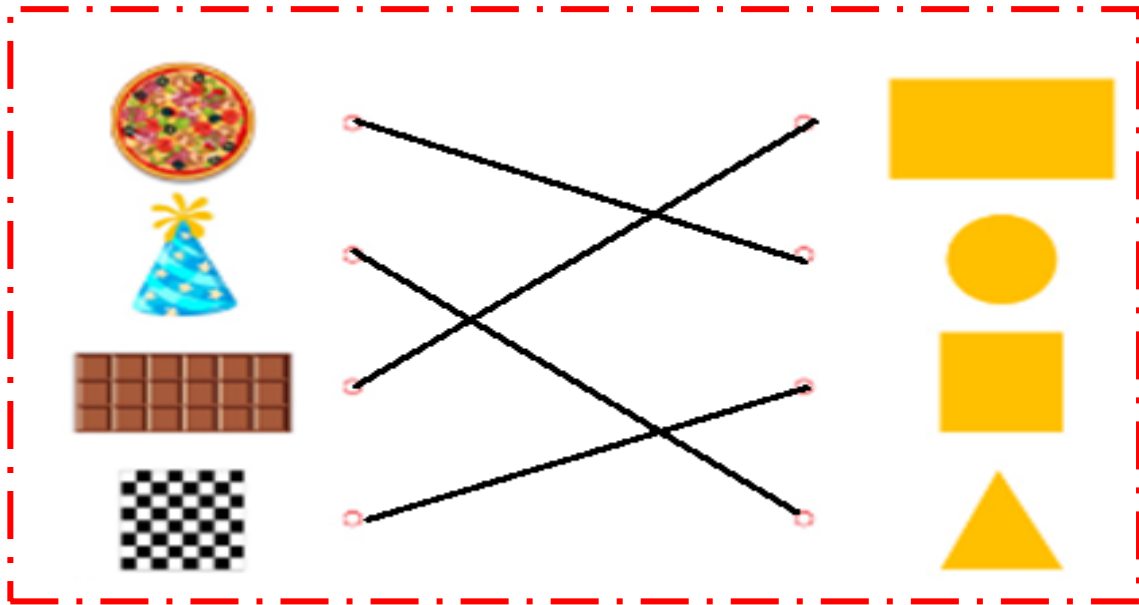

- Which button is used to change the thickness of a line?

Ans: Size button

- Which tool is used to remove the mistakes?

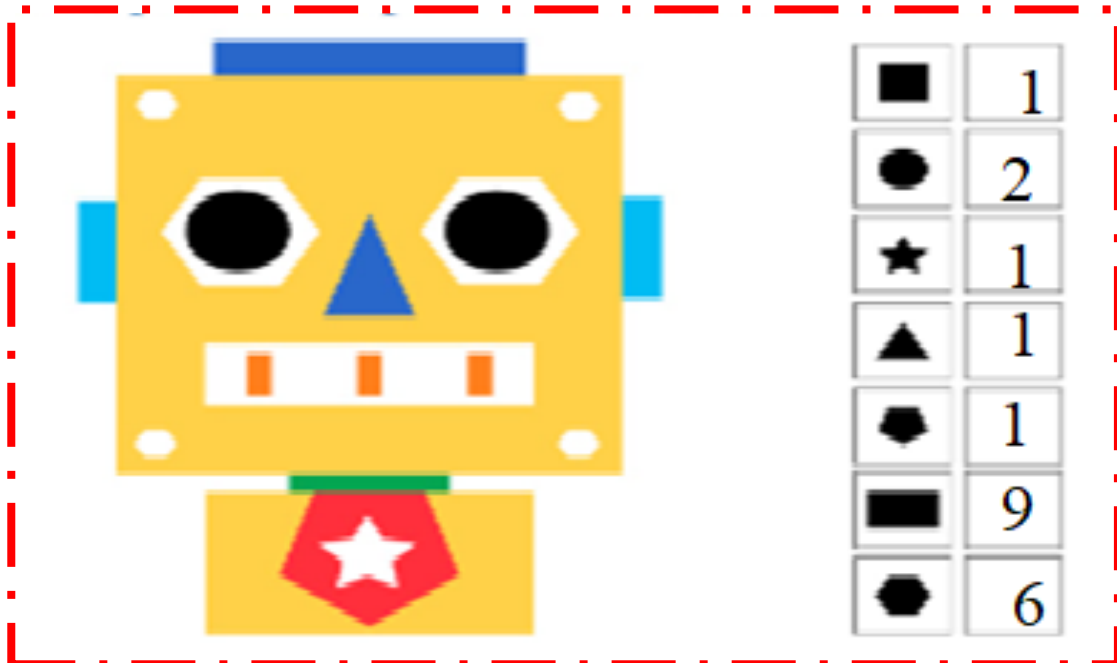

Ans: Eraser tool

D Match the objects to their shapes.

My Activity:-

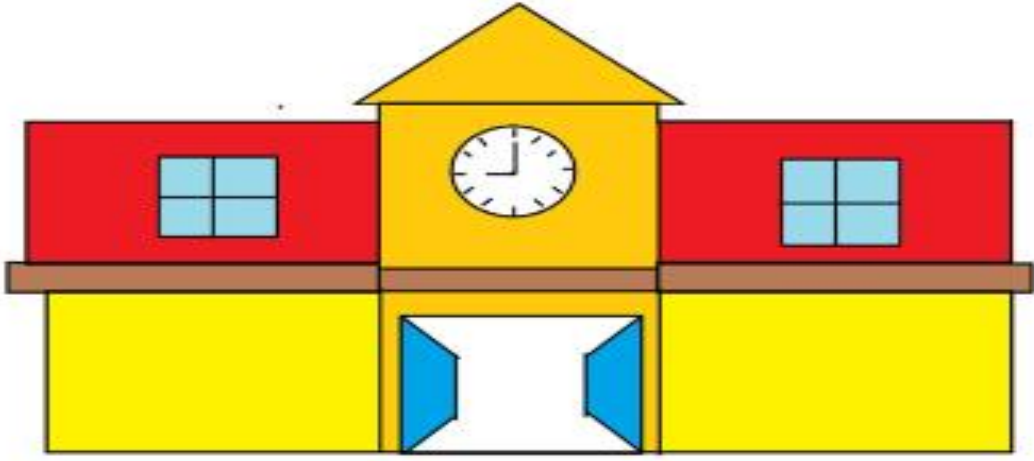

Count the shape in our super robot. Write the total count of each shapes.

Tech Lab

Visit the lab and create the given drawing in Paint.

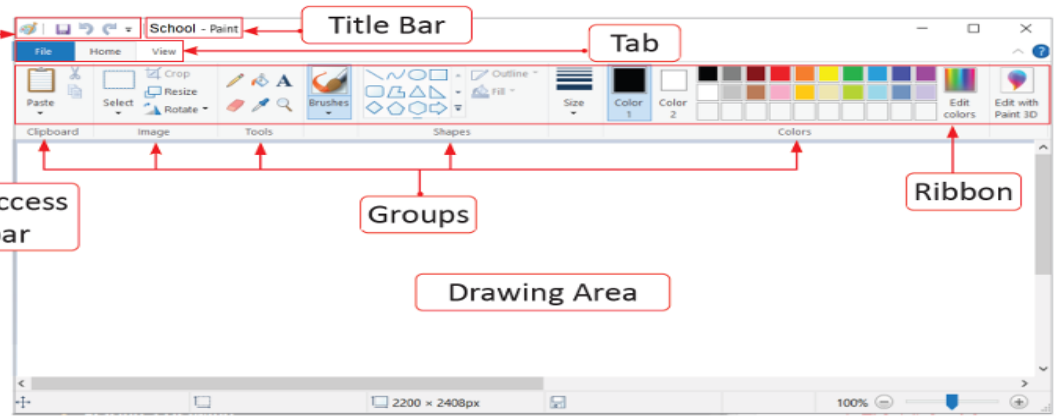

- Draw the house using all the tools you have learnt in the chapter.
- After completing your drawing, click on **File > Save As**.
- Type a name for your drawing.
- Click on **Save** to store your work.

Dear students, education is for everyone—Keep learning and keep exploring!

CBE based Worksheet

A Write the names of the components of the Paint window. [Recall]

The screenshot shows the Microsoft Paint application window titled 'School - Paint'. The window is divided into several sections. At the top is the 'Title Bar' containing the window title and standard Windows window controls. Below the title bar is a 'Tab' labeled 'School - Paint'. On the left side, there is a 'Quick Access Toolbar' with icons for Save, Undo, and Redo. The main area is the 'Drawing Area'. The top of the drawing area is occupied by the 'Ribbon', which is divided into several 'Groups' including Clipboard, Image, Tools, Brushes, Shapes, Size, Color, and Edit colors. The bottom of the window shows a status bar with the dimensions '2200 x 2408px' and a zoom level of '100%'.

B Write the names of the given tools of Paint.

1.

Eraser

2.

Rectangle

3.

Fill with color

4.

Oval

C Tick (✓) the right answer.

[Critical Thinking]

1. Which tool is used to draw a straight line?

2. Which tool is used to fill colour inside a shape?

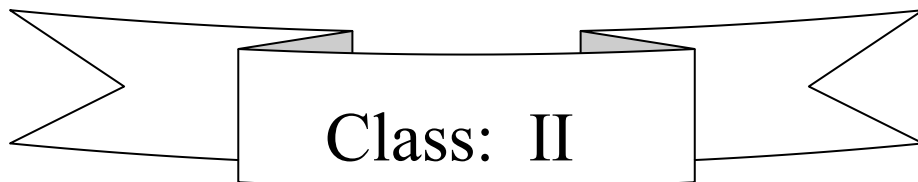

3. Which key is used with which tool to draw a perfect circle in Paint?

Brain Developer

Page no. 62

A. Tick (✓) the correct word to complete each sentence.

1. AI stands for (Artificial Ice / Artificial Intelligence).
2. AI is used in (space / storybooks) to explore solar system.
3. AI can help teachers for checking the (bag / attendance).

Page no. 63

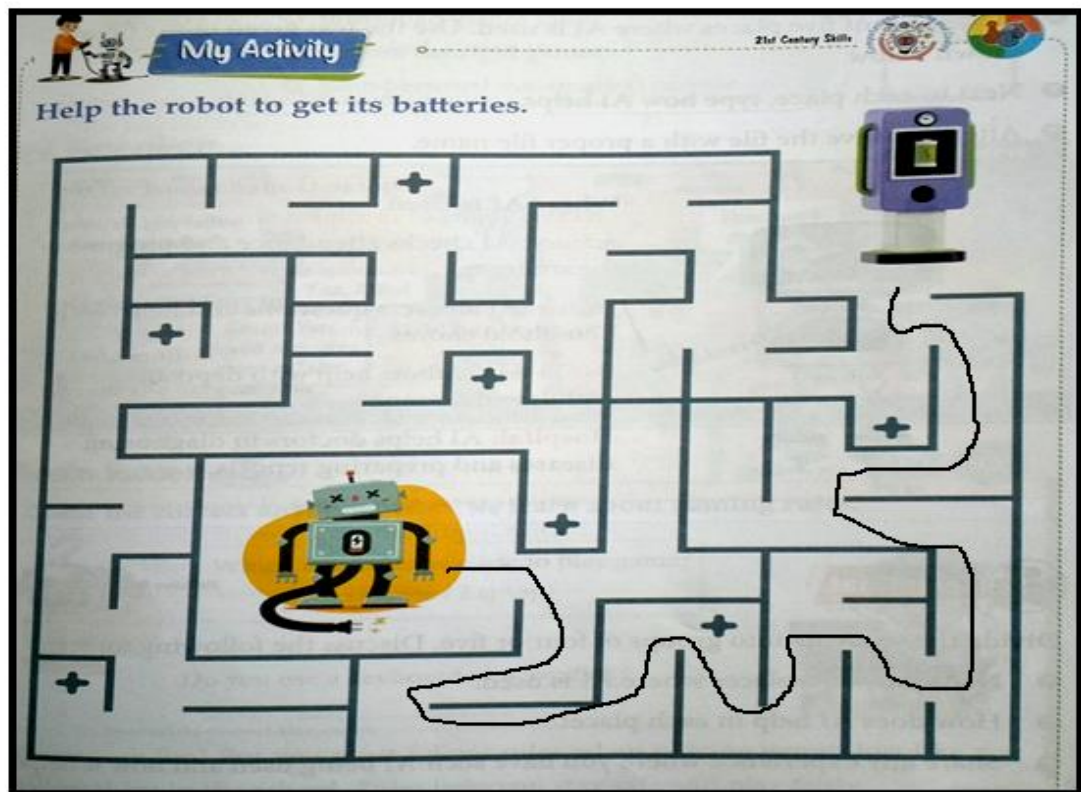

B. Write T for True and F for False.

1. AI can help in cleaning the house.
2. AI cannot be used in defence or military.
3. AI helps doctors in diagnosing diseases.

T

F

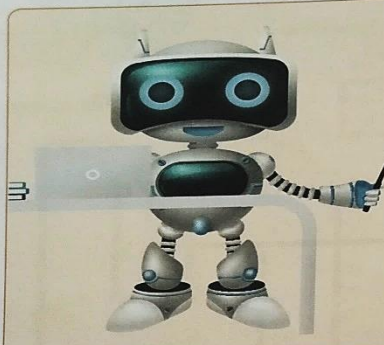

T

Visit the lab and follow the given instructions:

- Open Word and create a new document.
- Type the heading: "Where AI is Used"
- Make a list of five places where AI is used. Use the text given in the figure shown below.
- Next to each place, type how AI helps.
- After that save the file with a proper file name.

Where AI is Used

School: AI checks attendance and progress of the students.

Home: AI answers questions and helps with household chores.

Bank: AI chatbots help with depositing and withdrawing money.

Hospital: AI helps doctors in diagnosing diseases and preparing reports.

Divide the students into groups of four or five. Discuss the following topics:

- Name any two places where AI is used.
- How does AI help in each place?
- Share any experience where you have seen AI being used and how it helped you.

CBE Based Question

[A] Look at the pictures and write the name of the place where AI is used. [Observation]

Hotel

School

Hospital

Defence

Hints: School

Hospital

Defence

Hotel

B Read the scenarios and answer the questions.

[Observation & Critical Thinking]

1. Riya asks a machine to play music and answer her questions at home. Which AI device is she using?

Answer:

Smart Speaker

2. Aarav forgets his house key, but the door opens using a smart system.

Answer:

Smart Door Lock

CLASS - II

MAY

π

B. Fill in the blanks.

1. **Headphones** are worn over the ears.
2. A standard keyboard has **104** keys.
3. **Monitor** displays the result as a soft copy.
4. A printed copy is called a **Hard Copy**.

● Hard Copy

● Headphones

● 104

● Monitor

C. Write T for True and F for False.

1. Storage devices are used to get the result.
2. A scanner is used to scan documents from paper.
3. A mouse has four buttons.

F

T

F

D. Answer in one word.

1. Which device recognises people by fingers or face?

Biometric Device

2. Which disc stores HD videos?

Blu-ray Disc

My Activity

21st Century Skills

Write the names of the given devices. Label them as **I** (Input), **O** (Output), or **S** (Storage) based on their function.

S

Storage

O

Output

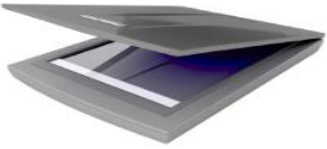

I

Input

Competency Based Question

[A] Look at the pictures and write the correct name.

1. 

Scanner

2. 

Printer

3. 

Pen Drive

4. 

Microphone

[B] Tick (✓) the correct answer.

- Which storage device can be carried anywhere?

a. Headphone ☐

b. Pen drive ☒

c. Monitor ☐
- Which storage device is used to save photo on your mobile phone?

a. Memory Card ☒

b. Keyboard ☐

c. Speaker ☐

[Decision Making]

C colour the circle with blue for input device and red for output device

1.

2.

3.

4.

D Read the scenario and answer the question.

[Critical Thinking]

In the school, students use a special machine to enter their classroom. The machine recognises their finger, face, or voice.

Name the machine: Biometric device

My Activity

21st Century Skills

Colour the correct circle to match the feature with a computer or a human.
One has been done for you.

Feature	Computer	Human
Does have feelings	☐	☒
Does not make any mistake	☒	☐
Needs more time to do any work	☐	☒
Works very fast	☒	☐
Cannot take decisions	☒	☐

My Name _____

Date _____

Teacher's Signature _____

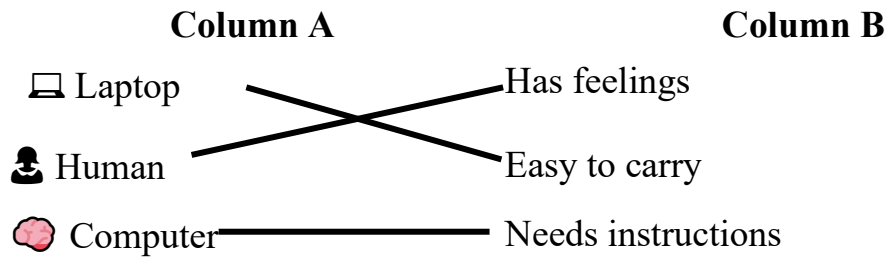

COMPETENCY BASED QUESTIONS.

Activity 1: Circle the Correct Answer

1. A computer is a:
☐ Toy ☒ Machine ☐ Fruit
2. Who has feelings?
☐ Computer ☒ Human
3. Which is easy to carry?
☒ Laptop ☐ Desktop

Activity 2: Match the Following

Draw lines to match 

Activity 3: Color the Correct One

 Color only the correct option:

-  Computer works:
☒ Slow ☐ Fast
-  Laptop is:
☒ Big ☐ Easy to carry
