Title: Inter Class BLOG WRITING Competition	Date: 18/04/2026
Venue: Classroom	Class: X

“A writer is someone for whom writing is more difficult than it is for other people.”

The English Department of Delhi Public School Gandhinagar successfully organized “*BLOG IT OUT!*”, an engaging Inter-Class Design-a-Blog Writing Competition for the students of Class X on 18 April 2026. The event aimed to inspire young minds to reflect on the growing influence of social media and articulate their perspectives through thoughtful and creative blog writing.

Centered around the contemporary themes “*Are Reels Replacing Real Conversations? - A Gen Z Perspective*” and “*Social Media: Connecting Minds or Creating Distance?*”, the competition encouraged students to critically examine the impact of digital culture on communication and relationships.

Students enthusiastically participated by presenting insightful blogs that showcased originality, clarity of thought, and creativity in design. Their entries reflected strong critical thinking, effective expression, and an impressive ability to connect real-life experiences with the given themes. The visually appealing presentations on A3 sheets added an artistic dimension to their written work, making the event both intellectually stimulating and creatively vibrant.

The competition provided a meaningful platform for students to voice their opinions, strengthen their writing skills, and explore the art of blogging in an innovative way. “*BLOG IT OUT!*” truly celebrated the power of words and ideas, leaving participants inspired to think beyond the screen and write beyond the ordinary.
