<b>Title: Raksha Bandhan Celebration</b>	<b>Date: 08.08.25</b>
<b>Venue: Auditorium</b>	<b>Class: UKG-A</b>

On August 8, 2025, the UKG-A students of Delhi Public School, Gandhinagar, conducted a heartwarming special assembly to celebrate the festival of Rakshabandhan. The aim of the assembly was to highlight the beautiful bond of love, care, and protection that the festival represents. The celebration featured a thought-provoking skit that creatively portrayed the importance of trees, drawing a parallel between how trees protect us and how our brothers and family members do the same.

The message of environmental care was delivered in a unique and meaningful way. Adding to the festive spirit, some students presented a lively and colourful dance performance that filled the atmosphere with joy and togetherness. Through well-articulated speeches, the children shared valuable insights about Rakshabandhan and its role in strengthening the bond between siblings. Dressed in traditional attire, the children radiated festive cheer and cultural pride. Their confident performances were met with enthusiastic applause, reflecting their effort and preparation.

One of the most touching moments was when the students tied rakhis to plants, expressing gratitude to nature for its constant protection and support. As a sweet gesture to mark the occasion, each child received a chocolate souvenir, making the day even more memorable. The assembly not only showcased the talent and creativity of our young learners but also instilled in them a deep sense of unity, love, and respect for tradition. It was truly a day filled with happiness, learning, and cultural celebration.
