

DELHI PUBLIC SCHOOL GANDHINAGAR

Academic Session 2025-26

Event Report

Title: Candy Land Day	Date: 07.11.25
Venue: Audio Visual Room	Class: Nursery

Celebrating sweetness, joy, and imagination in all its colourful forms is a wonderful way to fill children's hearts with happiness and creativity. With this thought in mind, *Delhi Public School Gandhinagar* organized **"Candyland Day"** for the students of Nursery on **November 7, 2025**. The children came dressed as the colours of their favourite candies, cupcakes, and chocolates, turning the classrooms into a vibrant Candyland filled with colours and cheer. The teachers created a delightful candy-themed setup where children played fun games, enjoyed a story about the *Land of Sweets*, and danced joyfully to candy-themed songs. The celebration truly sprinkled sweetness and excitement all around, sparking imagination among the little ones. Through this endeavour, the school aimed to encourage creativity, joy, and togetherness among the young learners. The children also participated in various playful activities, adding more fun and laughter to the day.
