“Where there are bright colours, there are bright smiles.” A vibrant and cheerful atmosphere filled the Pre-primary Wing of Delhi Public School, Gandhinagar, on January 12, 2026, as the UKG students celebrated Neon Day, spreading brightness, energy and happiness all around. The celebration was organised to make learning enjoyable while encouraging creativity and self-expression among young learners.

The tiny tots arrived at school dressed in bright neon-coloured outfits, looking absolutely adorable in their colourful headgear, funky goggles and stylish caps, which added charm and excitement to the day.

The students enthusiastically participated in a variety of specially planned fun-filled activities. Colour-based tasks, creative exercises and joyful games kept the children engaged throughout the celebration. The highlight of the day was the dance session, where the little ones danced freely to lively music, radiating happiness and confidence.

As a part of the learning experience, a Neon Day flipper was provided in the almanac to help the children recall the celebration and reinforce learning in a joyful way. Neon Day turned out to be a delightful experience, creating colourful memories and promoting a positive and vibrant learning environment for all.
