DELHI PUBLIC SCHOOL, GANDHINAGAR
Academic session 2026-27
Activity Report

Title: DPS BAZAAR (Maths Activity)	**Date: 29.10.26**
Venue: Hall of Fame	**Class: I**

"Money is not just something we spend; it is something we learn to count, save, share, and use wisely."

About the Event:

Delhi Public School Gandhinagar organised DPS Bazaar on 29 October,2026 for the young learners of Class 1 to introduce them to the concept of money through an engaging, hands-on marketplace experience. The activity aimed to help students understand the practical use of money, recognise coins and notes, read price tags, and make simple purchasing decisions. It provided an opportunity to connect classroom learning with real-life experiences while developing essential financial literacy skills.

Objectives of the Event:

- To familiarise young learners with the concept and value of money.
- To develop counting skills and basic mathematical abilities through buying and selling.
- To help students recognise coins and currency notes and understand their uses.

The Event and Participation:

On **October 29, 2026**, Delhi Public School, Gandhinagar organized **"DPS BAZAAR"**, Math's activity for the students of **Class I**. DPS Bazaar provided students with a fun, hands-on learning experience through a mock marketplace. The activity transformed learning into a vibrant marketplace, where the students enthusiastically explored the stalls and experienced the practical aspects of buying and selling.

During the activity, students explored different stalls, identified products, read price tags, and used money to purchase items. They learned to recognize the value of money, count coins, compare prices, and calculate the amount to be paid. The young learners also practiced making choices within a given budget and developed an understanding of the importance of saving and the difference between needs and wants. The activity encouraged students to develop essential life skills such as decision-making, communication, and financial awareness. They interacted confidently with their peers, waited for their turns, and experienced the joy of making independent choices while shopping.

DPS Bazaar proved to be an engaging and enriching learning experience, effectively connecting classroom concepts with real-life situations. The activity made learning meaningful, enjoyable, and memorable while laying the foundation for responsible money management among young learners.

A few glimpses of activity are enclosed below:
