

DELHI PUBLIC SCHOOL GANDHINAGAR

Academic Session 2025-26

Event Report

Title: Wonderful Winter Event	Date: 16.12.25
Venue: Classrooms	Class: LKG (All Sections)

“A child’s imagination paints the world far brighter than any season.”

Delhi Public School Gandhinagar hosted the Wonderful Winter Event for LKG students on December 16, 2025, creating a joyful, festive atmosphere. As part of the event, children participated in a creative drawing activity inspired by Christmas and winter themes. Within a 45-minute time limit, the young learners used colours, patterns, and imaginative ideas to bring their thoughts to life on paper.

To encourage artistic expression and boost confidence, the artworks were judged by an external judge, who carefully observed the creativity, neatness, and presentation of each child’s work. The best young artists were appreciated with badges and certificates, making the experience even more exciting and memorable for them.

The event beautifully celebrated the winter spirit while offering children an excellent opportunity to enhance their creativity, fine motor skills, and thematic understanding in a fun-filled learning environment.

The best performers for each class are as follows:-
