

DELHI PUBLIC SCHOOL, GANDHINAGAR
Academic session 2022-23
Event Report

Title: TITANS OF DPSG – EVS EXPO	Date: 30 November 2022
Venue: Hall of Fame	Class: I to V

About the Event

Delhi Public School Gandhinagar Primary Wing took initiative to generate curiosity and develop a scientific attitude in students by conducting a Science Exhibition on November 30, 2022. Such steps encourage students to create, innovate and invent discoveries and technologies.

Objectives of the Event

- Stimulating interest in science and technology and inculcating scientific spirit in younger generations.
- Science exhibition proves a good medium for the students for trying out theory into practice.
- To understand the practical application and utility of science.

The Event & Participation

On November 30, 2022, the Primary Wing of DPS Gandhinagar organised a Science Exhibition named TITANS of DPSG – EVS EXPO in the Hall of Fame of Primary Wing. The young scientists from Classes I to V exhibited their creations, innovation and out-of-the-box thinking through their models on various topics from earth to space and from atmosphere to deep sea. The exhibition was inaugurated by revered Principal Ms. Anju Singh, Vice Principal Ms Manju Dabi and Headmaster Mr Rakesh Kumar Bhagat. They praised all the students for their remarkable efforts and for putting up a great show. Whoever visited the Expo enjoyed it a lot. Such an exhibition teaches the importance of science and technology in our lives and also creates scientifically enriched people.
