

## DELHI PUBLIC SCHOOL GANDHINAGAR

Academic Session 2025-26

### Event Report

<b>Title: Visit to BANDHAN BANK</b>	<b>Date: 08.09.25</b>
<b>Venue: Old Wadaj &amp; Sabarmati Branch</b>	<b>Class: All Pre-Primary Classes</b>

On September 08, 2025, the Pre-primary children of DPS Gandhinagar went on an educational visit to Bandhan Bank. The visit aimed to give young children a basic understanding of what a bank is and how it functions, in a fun and interactive way. Accompanied by their teachers and support staff, the children were warmly welcomed by the bank staff upon arrival.

The visit began with a short explanation where the bank manager explained in a very simple language about the functioning of a Bank. He also showed the Indian currency notes and coins to children and told them the importance of saving money. The process of depositing and withdrawing money was shown to them. The children were then taken on a guided tour of the bank, where they observed the cash counters, deposit area, and passbook update machine. Children were curious and excited to see how people stood in queue and spoke to bank employees to complete their transactions. The entire experience was not only enjoyable but also educational, helping children relate their classroom learning to the real world. The visit to the bank was a valuable learning experience for our young students. It helped them develop a basic understanding of money, savings, and the role of banks in our community. We are thankful to the staff of Bandhan Bank for their kind cooperation and for making the visit memorable for our little learners.
