

DELHI PUBLIC SCHOOL GANDHINAGAR
Academic Session 2025-26
Event Report

Title: The Great Goan Experience	Date: 03/10/25 to 08/10/25
Venue: Goa	Class: III to IX

“Education is a natural process carried out by the child and is not acquired by listening to words but by experiences in the environment.”
- Dr. Maria Montessori

The school organized a recreational and an educational trip to Goa from 03 to 08 October 2025 for the students of Classes III to IX. The trip aimed to provide students with experiential learning beyond the classroom, exposure to historical and cultural sites, and an opportunity to develop social and interpersonal skills through group travel.

On the first day in Goa, the students visited the Vagator Beach and witnessed a mesmerizing sunset over the Arabian Sea. The next day, students were taken to the historic Fort Aguda, famous for its film shoots, followed by a visit to the Sinquerium Beach. They explored Candolim Beach and the nearby market later in the evening, culminating the day with DJ music and group activities at the hotel.

On the third day, the group ventured to Baga Beach, where students had the opportunity to shop for souvenirs. This was followed by an exciting Boat Cruise on the River Mandovi, featuring Goan folk dances and live music. Along with being fun, the cruise was also informative, as the students learned about the historical significance of various places in Goa.

All in all, the Goa trip was a memorable and enriching experience for all students. They not only enjoyed the scenic beauty and beaches of Goa but also gained insight into its rich historical heritage and vibrant culture. The journey fostered teamwork, discipline, responsibility, and a spirit of adventure among the students.
